## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments filed 01 November 2004, with respect to claims 4-6 have been fully considered and are persuasive. The rejections have been withdrawn.

### ***Allowable Subject Matter***

2. Claims 4-6 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a software installation process wherein a creation program is used to create identification information in the form of a run-time read module and self destructing the creation program after one execution. The prior art does not disclose that the created identification information in the form of a run-time read module is separated from a blank area of the particular software program when the program is terminated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
